

Teacher Academy Director

- Aspirational and progressive education environment
 - Key educational leadership role
 - Permanent, full-time role at Sydney Olympic Park
-

OneSchool is an affiliation of 22 privately registered schools with 175 campuses across 21 countries. With 37 campuses across Australia, OneSchool provides support and promotes cooperation and coordination between our affiliated schools in their commitment to providing global standards in a progressive education environment.

OneSchool Australia is establishing a new teaching facility which will provide progressive professional development for our teachers and other educational institutes. Working alongside the National Leadership Team, the Teacher Academy Director (TAD) will support and develop a high-performance teaching culture.

Responsibilities will include:

- The management and professional leadership of the Teacher Academy
- Coordinating nationally relevant professional development of all OneSchool teachers across Australia
- Ensuring that the delivery of national development programs for teaching staff is both individualised and value adding
- Developing world class teacher development with a focus on them enabling students as self-directed learners
- Being the point of contact for educational providers and external organisations
- The ongoing development of professional programs

We welcome applications from experienced candidates who meet the following criteria:

- Strong pedagogical leader within Australian education
- Forward thinking with a strong understanding of SDL and modern learning environments
- Focus on best practice learning outcomes within an adult education environment
- Positive, inspirational, patient, flexible and innovative team player
- Professional manner and demonstrates excellent communication and organizational skills

Remuneration and benefits are commensurate with the high level of candidate expected.
